Continuation of Substance of Interview including description of the general nature of what was discussed: Exr indicated that claims were essentially in order for allowance but suggested for claims 68 and 87: Either delete "oligomer" in line 2 or change it to "monomer." Ms. Skord authorized deletion of "oligomer" in both claims. Exr further noted that new claims 116 and 117 were identical. Ms Skord authorized cancellation of claim 117.
